FUND FOR HUMAN NEED TRUSTEES' REPORT FOR THE YEAR ENDED 31st AUGUST 2022

The trustees present their Report and Accounts for the year ended 31st August 2022. The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published on 16th July 2014.

Objectives and Activities

The trust deed of the Fund for Human Need (FHN) provides that the capital and income of the trust shall be used to relieve and remove hunger and poverty in all parts of the world without regard for politics, race, colour or creed. FHN's funds are applied by the trustees in accordance with these objectives. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Fund's aims and objectives, in planning future activities, and setting the grant making policy for the year.

The Fund furthers its charitable purposes for the public benefit through its grant making policy, to relieve hunger and poverty by utilising its unrestricted funds for making grants not exceeding £200 to refugees, asylum seekers and the homeless, and to individuals in other forms of personal distress.

In making these emergency relief payments from unrestricted funds, it is recognised that FHN cannot be the major source of support in such cases. Priority is given to those who are destitute, having no income or welfare benefits at all, to those who are particularly vulnerable, and to those where a small payment will make a major difference.

Although some of these grants are paid direct to individual beneficiaries, or to another person nominated by the beneficiary if the beneficiary does not have a bank account, the majority are paid through other charities and institutions.

The trustees also administer the assets of the G.E. Wilson Scholarship Fund for the benefit of the Methodist School at Colon in Panama. The capital held for this purpose has always been regarded as a permanent endowment. Investment income and donations for the school are transferred to the school, providing scholarships for the neediest pupils and assisting those who have difficulty meeting the full fees.

Achievements and Performance

A not unexpected result of the coronavirus pandemic has been its effect upon the economy generally which has seen a consequential financial impact on charitable organisations, in the case of FHN this led us to report in 2021 a drop in donations overall of £14,000 - close to 20% of the amount received in 2019-20.

During the course of the year the relaxing of the regulations introduced to control Covid-19 allowed the resumption of regular public worship and this witnessed an increase of over £15,000 to almost £24,500 in church donations, the highest amount FHN has received from this source. While gifts from individuals declined, at £51,300 they still represented a 370% increase on the amount received just four years ago - evidence of the greater awareness of what FHN is doing. We express our gratitude to personal donors and churches who by their regular giving or special fundraising have contributed to what has been the second highest annual income in the Fund's existence.

Over the past five years 4,000 emergency payments have been made from FHN to individuals and families experiencing personal hardship and, in many cases, destitution. This year, as anticipated in our last report, the trustees agreed a small increase in the amounts paid to those applying for grants; that, and the continued level of applications for support meant £72,600 was paid out, the highest figure of any year.

87% of the grants made in the year came from local authority or medical support services, Citizens Advice and charities on behalf of their clients. The range of circumstances is wide and includes help with buying food and basics such as bedding, cooking utensils and paying for essential travel. The highest categories of need are people who are homeless, suffering from medical or mental issues and claimants waiting for their first universal benefit, while others include women who have experienced domestic violence and refugees and asylum seekers seeking assistance to secure education or training. Because the needs are often very urgent we have taken steps to ensure that as many as possible of our emergency payments are sent by direct transfer - a much quicker (and cheaper) way of responding.

While the grants are modest, responses received often express appreciation of the money given which for many is a life-line when they are so desperate. As important as is the money, which provides vital, short-term help, is the knowledge that through the generosity of our supporters we have been able to show concern, give hope and share God's love.

Financial Review

The year under review saw an increase in unrestricted income from £62,885 to 77,071. There was a reduction in the donations from individuals, including Gift Aid, from £53,145 to £51,382 and a significant increase in the donations received from churches (many of which were closed the previous year due to lockdown) from £8,890 to £24,482. The average donation from churches was £250 and for individuals the average was £50 before Gift Aid, although many of these are regular monthly gifts by standing order. Donations received via CAF totalled £10,445 and £2,894 was received through Just Giving.

751 grants were made to individuals in need, totalling £72,696; compared with 673 grants totalling £56,076 in the previous year. Fundraising expenditure, of £8413, was an increase on the previous year's total of £6,771, reflecting the return to events that had previously been cancelled as a result of the pandemic. Fundraising and administration expenditure totalled £16,006 an increase £2,181 from the previous year, and amounted to 22% of the year's unrestricted income. Expenditure exceeded income by £11,631, due to a deliberate policy to reduce the reserves in unrestricted funds. This has enabled us to increase the average value of grants and the number of grants awarded in the year. After the revaluation of the CFB Managed Mixed Fund investment fund, the total of unrestricted funds was £59,762, a decrease of £14,446.

The IT system used to support the accounts has been refined during the past year to improve efficiency. There has been a further improvement in efficiency as a result of switching to a bank account that allows payments to organisations to be made via BACS, resulting in a prompter receipt of the grant payment and reducing our postage costs. This new account still requires dual authorisation to maintain financial control.

Restricted income received for the Methodist school in Colon, Panama, including income from endowment fund investments, was £234 an increase on the £187 for the previous year. The annual transfer of funds to the school, usually made towards the end of the Fund's financial year, has been deferred for the time being, as it was in 2020-21; as the school remains closed and it is uncertain when it will be in a position to re-open.

Investment Policy and Performance

The trust deed gives the trustees discretion to invest the trust funds and to use the income arising, and the proceeds of a sale of investments, for the objects of the charity.

75% of FHN's unrestricted funds, together with the assets of the G. E. Wilson Scholarship Fund, are held in units of two of the investment funds of the Central Finance Board of the Methodist Church (CFB), the CFB Managed Fixed Interest Fund and the CFB Managed Mixed Fund, in order to achieve a higher return than is currently available on the Fund's short term deposits. These investments are held by The Trustees for Methodist Church Purposes, who act as custodian trustees for FHN.

CFB aims to provide a high quality investment service seeking above average returns, to follow a discipline in which the ethical dimension is an integral part of all investment decisions, and to construct investment portfolios consistent with the moral stance and teachings of the Christian faith.

A revaluation of the Fund's investments at 31st August 2022 showed a net unrealised loss of £6,458, representing a decrease of 15% in the value of units in the CFB Managed Fixed Interest Fund and an decrease of 6% in the value of the CFB Managed Mixed Fund units. The income distributions for the year, based on the 31st August 2021 valuations of the units, represented yields of 0.96% on the Managed Fixed Interest Fund units and of 2.61% on those in the Managed Mixed Fund.

Risk Management

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed, and systems or procedures have been established to manage those risks. In particular, it is recognised that as a small organisation FHN does not have the resources to monitor the use of grants once they have been made. The majority of payments are, however, made through other agencies and FHN asks for written confirmation that they will be used for the purposes for which they have been made.

Reserves Policy

The Fund's reserves policy has been reviewed by the trustees, having regard in particular to uncertainties in relation to future levels of income from donations, including the impact of a loss of the small number of donors who contribute a significant proportion of the Fund's income, to the low returns it is currently receiving on its investments and short-term deposits, and to the numbers of grant applications, which have increased significantly in recent years.

The trustees have approved a policy to maintain reserves in unrestricted funds, as cash and investments, equivalent to 6 months of unrestricted expenditure.

The balance of free reserves in unrestricted funds at 31st August 2022 was £ 57,968, which represented just over 8 months of the past year's expenditure.

Plans for the Future

Given the cost of living crisis many are facing today we can anticipate that the demand for the help that FHN seeks to provide will continue and increase. At the same time we are aware that those who support the Fund are themselves under considerable financial pressure. Advocacy of our work involves some cost. Investment in attending carefully chosen events is necessary to generate new support as is advertising the existence of the Fund. We aim to restrict these fund-raising and administrative costs to 20% of our expenditure, but are currently seeking sponsorship which would enable us to allocate all donated money in payments to people in need.

We were delighted that Lord Boateng accepted an invitation to be patron of the Fund and believe that his contacts and wide experience and expertise, his concern for a more just and equitable society and his willingness to promote the work of the Fund will lead to new opportunities to advance our work.

When the Revd Donald McNeill set up the Fund for Human Need in 1960 he had the support of a number of friends in local churches with whom he had a personal link. Through 'Friends of FHN' in most districts of the Methodist Church and via '3-Generate' (an annual nationwide Methodist Church youth event) we are hoping to develop new links which will attract the interest and support that will enable the Fund to continue its work into the future for as long as it is needed.

Structure, Governance and Management

The Fund for Human Need is a registered charity, number 208866, and is constituted under a trust deed dated 17th February 1960.

The charity is administered by a board of trustees, which meets for the Annual General Meeting and additionally as the need arises. When vacancies occur, new trustees are appointed by the existing trustees. The trustees may by resolution delegate their powers to agents or to one or more of themselves and from time to time revoke such delegation.

FHN's day to day business is administered by its officers in a voluntary capacity, supported by a part-time administrator. Two trustees, usually being the Grants Officer and the Chair, meet monthly to assess grant applications and agree to whom these emergency relief payments should be awarded and the amount of each payment. Together with a financial report, a list of grants paid is made available to the trustees each month, and also submitted to the full trustees' meeting for retrospective approval.

FHN's bankers are authorised to honour payment instructions which have been signed by any two of the trustees named on the bank mandate.

Trustees' Responsibilities in relation to the Accounts

The trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Approved by the trustees on 17th November 2022 and signed on their behalf by:

Rogu Cumers

Roger Cresswell Chair of Trustees

Independent Examiner's Report to the Trustees of the Fund for Human Need

I report on the accounts of the Fund for the year ended 31st August 2022 set out on pages 9 - 16.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the Charities Act;

to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act); and

to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:
- · to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

a) Basis of preparation

These accounts have been prepared under the historical cost convention, with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) issued on 16th July 2014, and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and with the Charities Act 2011.

The Fund constitutes a public benefit entity as defined by FRS 102.

b) Income

Income from donations is recognised when received.

Income from Gift Aid claims is included in the same period as the donations to which they relate.

Income from legacies and from grants is recognised when entitlement has been confirmed, the amount can be quantified accurately and receipt is probable.

Investment income, representing distributions from the Central Finance Board of the Methodist Church, is accounted for on an accruals basis.

c) Expenditure

All expenditure is accounted for on an accruals basis.

Grants become payable when approved by two trustees, usually at a monthly meeting of the Grants Officer and the Chair.

d) Funds

Unrestricted funds are funds which can be used at the discretion of the trustees in accordance with the charitable objects of the Fund for Human Need.

Restricted funds are funds which may only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

The *endowment fund* represents the assets of the G.E. Wilson Scholarship Fund, which must be held permanently by the charity. Income arising from the endowment fund must be used for the provision of scholarships at the Methodist School in Colon, Panama, and is treated as restricted funds in these accounts.

e) Investments

Investments are stated at their market value, on a mid-price basis, as determined by the Central Finance Board of the Methodist Church.

f) Gains and losses on investment assets

Realised and unrealised gains and losses on investments are dealt with in the Statement of Financial Activities in the year in which they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase cost if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the market value at the year end and their carrying value.

14. Endowment Fund

The G.E. Wilson Scholarship Fund was established in 1970 with discretionary payments received from the estate of the late Mr Charles A. Allen. The capital of £20,843 is invested in 11,490 units in the CFB Managed Fixed Interest Fund, issued by the Central Finance Board of the Methodist Church. The income arising from the Fund's investments is to be used for the provision of scholarships to children attending the Methodist School in Colon, Panama.

	Net Assets at 31st August 2022	59,762	1,324	20,843	81,929

16.	Expenses Reimbursed to Trustees	2022	2021
		£	£
	Travel to meetings	93	-
	Number of trustees reimbursed	4	•

There were no trustees' travel expenses in year ending 2021, as all metings were online due to lockdown. None of the trustees have been paid any remuneration or received any other benefits from an employment with the Fund or a related entity.

17. Transactions with Trustees and Related Parties

Other than unconditional donations of £4,011 (2020-21: £4,365) received during the year from trustees, and £806 received from trustees for the sale of FHN greeting cards, there have been no transactions with trustees or other related parties.

18. Volunteer Contributions

The Fund is administered by its trustees in a voluntary capacity. In addition to serving as trustees, their principal contributions as volunteers are the approval and payment of grants, fundraising, and the management of the Fund's finances and accounting arrangements. The trustees are supported by a paid part-time administrator.
